EDUCATION

BACHELOR OF ENGINEERING

COMPUTER DEPARTMENT

cairo University

2021 - 2026

LANGUAGES

English

Very Good Command

COURSES

CS50 - Harvard, Edx

Algorithmic Toolbox - San Diego

HOBBIES

- Reading
- Cinema
- Chess

PROFILE

Passionate and innovative computer engineering student with good analytical and problem-solving skills, who loves tackling new challenges that push him beyond his limits. I am organized and collaborative. I am flexible, and I can work under stress. Seeking to further develop my skills under your mentorship.

PROJECTS

- Paint for Kids - OOP Project
- Process Scheduler - Data Structures Project
- AES Encryption - Verilog Project
- Simple ALU - Hardware Project

SKILLS

- Problem-Solving - Rated pupil on Codeforces
- OOP Design
- Version Control - Git
- C++
- Project Management
- Analytical thinking

CURRENTLY STUDYING

- QML / Qt
- Design patterns
